

# CHAIR, DEPARTMENT OF ANESTHESIOLOGY

The University of Wisconsin School of Medicine and Public Health (SMPH) invites applications and nominations for the position of Chair of the Department of Anesthesiology.

Founded in 1927 as the first academic program in anesthesiology in the country, the Department of Anesthesiology is committed to providing outstanding patient care, educating the next generation and advancing the scientific foundation of our discipline.

The department features an outstanding and diverse group of 81 clinical faculty, four research faculty, six fellows, 56 residents, 67 clinical anesthesiologists, eight nurses and APPs and 18 support staff. Clinical sites include University Hospital (a 505-bed quaternary care facility), American Family Children's Hospital (87 beds), The American Center (a 56-bed satellite hospital) and several ambulatory locations. Clinical specialization includes acute pain, ambulatory, cardiac, chronic pain, critical care, general, neurosurgical, pediatrics, pediatric cardiac, pediatric pain, pediatric transplant, transplant and vascular.

Basic research endeavors in consciousness, neuroscience, genomics and pain are supported by National Institutes of Health funding, endowments and a variety of external sources. A robust clinical research program focuses primarily on regional techniques in acute pain, airway management and medical devices.

The nationally recognized residency program, Accreditation Council for Graduate Medical Education accredited fellowships (cardiac, critical care and pediatrics) and non-accredited fellowships (acute pain, chronic pain, neurosurgical and transplant) are fostered by a culture of inquiry, teaching and learning. Significant professional investment funds, along with a variety of endowments, help support faculty, fellows and residents as well as professorships and lectureships.

We seek a recognized leader with proven leadership and management skills as well as an outstanding academic background and strong clinical credentials.

The successful candidate will have a compelling vision for the future of anesthesiology in an academic health system, and at the UW School of Medicine and Public Health in particular. Candidates must have an MD or MD/ PhD degree or equivalent,

*Health Sciences Campus*

and board certification in Anesthesiology. Additionally, candidates must be eligible for Wisconsin medical license; have a substantial background and experience in administrative leadership, clinical care, teaching and research, including training programs for the full continuum of anesthesiology learners; and a strong academic background that would qualify for appointment as a tenured professor at the University of Wisconsin-Madison.

**Please send nominations to Laurel Rice, MD and Susan Lederer, PhD, Co-Chairs of the Anesthesiology Search Committee, c/o Staci Andersen, 4150Q HSLC, 750 Highland Avenue, Madison, WI, 53705-2111, [slandersen2@wisc.edu](mailto:slandersen2@wisc.edu).**

**Visit [med.wisc.edu/anesthesiologychair](http://med.wisc.edu/anesthesiologychair) to apply for this position. Click the "Apply Now" button. Applicants will be asked to upload a current cover letter, CV and list of three references.**

Applications from women and members of minority groups are strongly encouraged. To receive full consideration, applications should arrive by October 14, 2018.

Unless confidentiality is requested in writing, information regarding applicants must be released upon request. Finalists cannot be guaranteed confidentiality. Wisconsin Caregiver Law applies. The University of Wisconsin is an equal opportunity, affirmative action employer. For more information: [med.wisc.edu](http://med.wisc.edu), [anesthesia.wisc.edu](http://anesthesia.wisc.edu).
